DARYL A. KATZ

On July 2nd, 2008 a new era began for the Edmonton Oilers with the passing of the ownership torch from the Edmonton Investors Group (EIG) to Daryl Katz. For Mr. Katz, who was born in Edmonton in 1961 and grew up watching the Oilers teams of the 1980s and 1990s, being introduced as the team's owner was a "dream come true". Entering his second season with the team, he is focused on building on the legacy of strong local ownership in Edmonton and bringing the Stanley Cup back to northern Alberta.

Born and raised in Edmonton, Mr. Katz graduated from the University of Alberta's Faculty of Law in 1985. In 1990, he founded the Katz Group, which today is one of Canada's largest privately owned companies and among the largest chain drug store companies in North America.

The Katz Group's network includes more than 1,800 pharmacies under the brands Rexall Drugstores, Pharma Plus Drugmarts, Medicine Shoppe Pharmacies, Guardian, IDA and Herbies/Payless in Canada and Snyders Drugstores in the United States. Collectively, Katz Group pharmacies employ more than 15,000 people in Canada and the United States.

In October 2007, Mr. Katz was named a member of the Alberta Investment Management Corporation's inaugural board of directors. AIMCo is one of the largest and most sophisticated investment managers in the country, with more than $70 billion in assets held in a number of funds invested globally across diverse asset classes.

With a wide range of charitable activities, Mr. Katz is recognized as a leading philanthropist in Edmonton and beyond. In 2003, he was appointed to the Premier's Council of Alberta's Promise, an organization dedicated to improving the lives of Alberta's children and youth. He is also a member of the Canadian Council of Chief Executives and is Co-Chair of the University of Alberta's "Campaign 2008" – the largest fundraising campaign in the university's history.

PATRICK LAFORGE

The Edmonton Oilers Hockey Club has enjoyed a remarkable history during 31 years in the National Hockey League, and Patrick LaForge has been a major contributing force, leading and creating much of the Oilers excitement since joining the team as President and CEO in July of 2000.

He brought to the Oilers decades of experience with leading sports and entertainment organizations in the areas of professional and major junior hockey, alpine ski racing, auto racing, horse racing and professional rodeo and his tenure with the team has seen many significant highlights.

Born in Lac la Biche, Alberta and raised in Edmonton, Patrick enjoyed a lengthy business career prior to joining the Oilers. He held the positions of Vice President International Marketing, Molson Breweries of Canada; President and CEO of Alpine Canada and served on the Executive Board of the Canadian Olympic Committee.

Patrick initiated the idea, was the creative force and stewarded **The Heritage Classic,** the first regular season outdoor NHL game, played on November 22, 2003. More than 57,000 hockey fans braved the bone-chilling elements in Edmonton that day to watch the Montreal Canadiens play the Edmonton Oilers. The game was preceded by the greatest NHL Alumni Game which featured Wayne Gretzky, Mark Messier, Guy LaFleur and Larry Robinson joining other Oilers and Canadiens Hockey Hall of Fame members and alumni at Commonwealth Stadium. **The Heritage Classic** event on that day spawned the **NHL Winter Classic** which has evolved as hockey's greatest one day spectacle.

His time as Oilers President and CEO has seen the launch of the first public lottery for an NHL Canadian team and the creation and growth of the **Edmonton Oilers Community Foundation,** which since its inception in 2001 has annually gifted over 1-million dollars to needy charities in Oil Country. He brought the American Hockey League Edmonton Road Runners to Edmonton for the 2004-05 season and following that secured the return of one of the most famous names in Canadian Junior hockey to Edmonton when the Western Hockey League Edmonton Oil Kings returned to the Alberta Capital in 2007.

The successful return of the Oil Kings was followed in 2009 by the Oilers purchase of the Edmonton Capitals Baseball team (Golden Baseball League) and the rejuvenation of Edmonton's river valley baseball park by the Oilers organization for Capitals baseball and the staging of live concerts at TELUS field.

As President and CEO Patrick LaForge is responsible for growing the financial viability of the Oilers, Oil Kings and Capitals and building quality relationships with their fans, sponsors and customers. He is equally as proud of the fact that the Edmonton Oilers Commercial Operation team has rallied fan support in the Oil Country region resulting in 155 consecutive sellouts as the 2009-10 Oilers NHL season begins.

He is currently an Alternate Governor for the Oilers, and a Governor and member of the Executive Committee of the Western Hockey League, and Governor of the Golden Baseball League. Patrick is Past Chairman of the Board, Edmonton Chamber of Commerce, is also on the Advisory Board of the Edmonton Amateur Sports Council and is a Rotarian. He was selected as **Top 50 most influential Person in Alberta 2008** by Alberta Venture Magazine and was also the recipient of the **Consumer Choice Award as Edmonton Business Person of the year, 2008.**

Patrick LaForge is a graduate of the Northern Alberta Institute of Technology (NAIT), attended the University of Western Ontario, School of Business and completed the Executive Management Program at the University of Michigan.

Away from the workplace Patrick is a husband and father who enjoys golf, fishing and travel.

KEVIN LOWE

After serving as General Manager of the Edmonton Oilers for eight seasons, Kevin Lowe was promoted to the position of President of Hockey Operations on July 31, 2008. Lowe's promotion was part of a restructuring of the team's Hockey Operations department.

Lowe has been instrumental in the renewed success of the team both on and off the ice and will continue to work towards the continued success of the franchise in his new role. He has become one of the National Hockey League's top executives, helping to build one of the outstanding franchises in the League.

A new era in Oilers' history was ushered in when Lowe was named to the position of General Manager on June 9, 2000. With the announcement, the first-ever draft pick in Oilers' history replaced Glen Sather, who held the position since June of 1979. Lowe's appointment came a year after he was named head coach of the Oilers on June 18, 1999.

It took the popular Lowe only three seasons from his retirement from the game as a player to make his way to the position of General Manager. After a brilliant playing career in the National Hockey League with the Edmonton Oilers and New York Rangers, Lowe announced his retirement from the game on July 30, 1998 and joined the coaching ranks as he served as an assistant coach with Ron Low's Edmonton staff in 1998-99.

The 1999-00 season saw Lowe become the seventh head coach in Oilers history. In his lone season behind the Edmonton bench, Lowe guided the Oilers to a second place finish in the Northwest Division with a 32-26-16-8 record, only eight points behind the first place Colorado Avalanche, and a berth in the Stanley Cup Playoffs.

Lowe's expertise has also translated into success for Team Canada on the international stage. On November 8, 2000, Lowe was named as Assistant Executive Director of Canada Olympic Hockey for the 2002 Winter Olympic Games in Salt Lake City, Utah. Working with former teammate Wayne Gretzky, Team Canada's Executive Director, head coach Pat Quinn and Director of Player Personnel, Steve Tambellini, Lowe helped put together a team of NHL players that won the Olympic gold medal for Canada for the first time in 50 years. A 5-2 victory over the United States in the gold medal final on February 24, 2002 saw Team Canada become the first Canadian squad to win Olympic gold since the Edmonton Waterloo Mercurys won at Oslo, Norway in 1952. He reprised that role with Team Canada at the 2006 Winter Olympics in Turin, Italy and was a member of Team Canada's management team that put together the gold medal winning roster at the 2004

World Cup of Hockey. Lowe will once again represent his country as he was named Associate Director for the Canada Men's Olympic Hockey Team, which will participate in the 2010 Winter Olympic Games in Vancouver, British Columbia.

Lowe was the Oilers' first-ever draft pick when he was selected 21st overall in the 1979 NHL Amateur Draft on August 9, 1979. During 19 seasons in the NHL, including 15 as an Oiler, Lowe played in 1,254 regular season games and 214 playoff games, winning six Stanley Cup championships. The first five Cup championships came with Edmonton as he was a member of each of the Oilers' titles in 1984, 1985, 1987, 1988 and 1990 and was followed by a sixth with the New York Rangers in 1994. In his 15 seasons with Edmonton, the Oilers never failed to qualify for the Stanley Cup Playoffs with Lowe in the lineup. In fact, Lowe only missed post-season play once in his 19-year career as New York missed the 1992-93 playoffs during his first season in Manhattan.

Besides being the first draft choice in Oilers' history, Lowe also scored the first goal in team history as he beat Tony Esposito at 9:49 of the first period in Edmonton's first NHL game on October 10, 1979 at Chicago Stadium. The goal launched a career that saw him play for 19 seasons without spending a day in the minors. That goal was also assisted by Wayne Gretzky, marking the "Great One's" first ever point in the NHL.

Lowe holds the Oilers' record for most games played in both the regular season (1,037) and playoffs (172) and is one of only 38 players in NHL history to have played in 1,000 games with one franchise. His 1,254 career NHL games ranks him 47th on the league's all-time list. He also ranks among Edmonton's all-time leaders as he is seventh in assists (309), ninth in points (383) and third in penalty minutes (1,236).

He became the sixth captain in Oilers' history in 1990-91, fulfilling the promise of his junior career that saw him named the only Anglo-Canadian captain of the Quebec Remparts.

On the international stage he represented Canada at the 1982 World Championship and was a member of Team Canada that won the 1984 Canada Cup. He also played in seven NHL All-Star Games (1984-86, 1988-90, 1993).

Off the ice, he was no less a leader. In 1990, Lowe became the only player to win the King Clancy Memorial Trophy and the Budweiser/NHL Man of the Year Award in the same season. Both awards are presented for leadership qualities and humanitarian contributions. He was also the Oilers' nominee for the Bill Masterton Memorial Trophy that season. His work with the Edmonton Christmas Bureau has set the standard for the Oilers' commitment to community involvement. He was the Honorary Chair from 1982-83 to 1991-92 and Honorary Co-Chair from 2005 to present.

Kevin is also on the Board of Trustees for Waterkeeper Alliance and is the Founder of Tee Up For Tots Golf Tournament. Along with Sam Abouhassan, they have raised more than $5-million for the Stollery Children's Hospital over the past 10 years.

Lowe and his wife Karen, a two-time Olympic alpine skiing bronze medal winner for Canada at the 1988 Winter Olympics in Calgary, have three daughters - Devyn, Darby and Karly - and a son, Keegan. Both Kevin and Karen are Honorary Spokespeople for the Zebra Society.

STEVE TAMBELLINI

One of the newest members of the Oilers Hockey Management Team brings a successful hockey background to the organization. Named Edmonton's fourth General Manager on July 31, 2008, Steve Tambellini succeeds Kevin Lowe as GM following Lowe's promotion to President of Hockey Operations.

Tambellini joined the Oilers after 17 seasons as a member of the Vancouver Canucks management team. The 50-year-old native of Trail, British Columbia served as the Canucks' Vice President and Assistant General Manager for three seasons (2005-06 to 2007-08). In his role with the Canucks, Tambellini was involved in all aspects of the team's hockey operations including contract negotiations, scouting and minor league affiliates.

During his tenure with Vancouver, which began in 1990-91, he served in a number of positions within the organization. He was the Vice-President of Business Operations for several seasons before being appointed the Senior Vice President of Hockey Operations for the 1997-98 season. In August 1998 he was named the Vice President of Player Personnel and served in that role until being named Vice President and Assistant General Manager in June 2004.

With Vancouver Tambellini helped guide the Canucks to five consecutive seasons of 40-or-more victories from 2001-02 to 2006-07. The 2006-07 season saw the Canucks produce the best season in franchise history with a 49-26-7 record, establishing single-season records for wins (49) and points (105) on their way to the Northwest Division championship.

Tambellini and Lowe have previously worked together as members of Team Canada's management team, helping lead Canada to success on the international stage. As Director of Player Personnel, Tambellini helped put together the roster that won the gold medal at the 2002 Winter Olympics in Salt Lake City, Utah and was also a member of the management team for Team Canada's gold medal triumph at the 2004 World Cup of Hockey. He also served as the General Manager of Team Canada at the 2003 and 2005 IIHF World Hockey Championship, winning the gold medal in Finland in 2003 and silver in 2005.

Inducted into the B.C. Hockey Hall of Fame in 2004, Tambellini played 10 seasons in the NHL after being selected 15th overall in the 1978 NHL Amateur Draft by the New York Islanders. A member of New York's 1980 Stanley Cup championship team, the centre

played 553 career NHL games with five NHL teams between 1978-79 and 1987-88. After scoring his first NHL goal with the Islanders in 1979-80, he went on to score 160 goals and 150 assists for 310 career points with 105 penalty minutes with New York, the Colorado Rockies, New Jersey Devils, Calgary Flames and Vancouver Canucks.

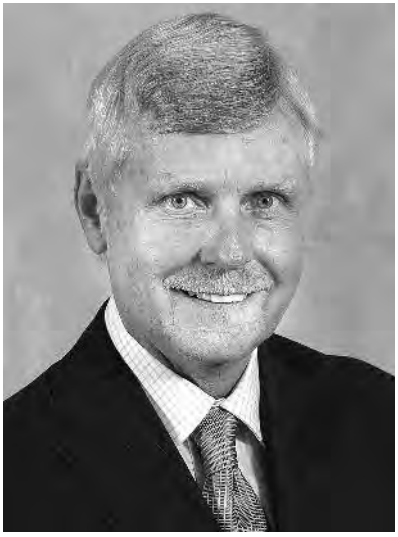
Tambellini's hockey roots run deep with Team Canada. Prior to working as a member of the management staff for Team Canada, he represented his country three times in international play. He won a bronze medal with the 1978 Canadian National Junior Team and finished fourth at both the 1981 IIHF World Hockey Championship and the 1988 Winter Olympics in Calgary, Alberta.

Steve's father, Addie, was a member of the 1961 World Champion Trail Smoke Eaters, while his son, Jeff, won a silver medal for Canada at the 2004 IIHF World Junior Championship. Jeff was selected 27th overall by the Los Angeles Kings in the 2003 NHL Entry Draft.

Besides his outstanding hockey resume, Tambellini has also been a contributor to the Canucks' off-ice activities. He served as the President of the Canucks for Kids Fund for 12 seasons and was awarded the B.C. Humanitarian of the Year Award by the B.C. Hockey Hall of Fame in 2006. He was also awarded the Jake Milford Plaque in 2004 for his significant and lasting contributions to hockey in his home province of British Columbia.

Steve and his wife, Denise, reside in Edmonton with their daughter, Trish and son, Adam.

KEVIN PRENDERGAST



Kevin Prendergast enters the 2009-10 season, his 27th in professional hockey, as the team's Assistant General Manager and Vice President, Hockey Operations.

Now in his 20th season with the Oilers since joining the organization in 1990-91, Prendergast had served as Vice President of Hockey Operations for nine seasons from 1999-00 to 2006-07.

Working closely with Kevin Lowe, the President of Hockey Operations, and General Manager Steve Tambellini, Prendergast continues to oversee the Oilers' pro and amateur scouting staffs, coordinating coverage of the NHL, AHL and ECHL as well as the major junior teams of the Canadian Hockey League, the U.S. collegiate and high school ranks and the European leagues. He also coordinates the Oilers' annual training camp.

Prendergast serves as the Oilers' representative on the American Hockey League's board of governors and serves as the Director of Player Personnel for both the Springfield Falcons (AHL) and Stockton Thunder (ECHL).

The 58-year-old native of Verdun, Quebec joined the Oilers following seven seasons working with NHL Central Scouting as the Assistant Director of Scouting. From 1983-84 to 1989-90 he was responsible for all scouting assignments and scheduling while also scouting the three major junior hockey leagues. In 1985-86 he also worked with the Canadian National Team in preparation for the 1988 Winter Olympic Games in Calgary.

Graduating from Saint Mary's University in Halifax, Nova Scotia with a Bachelor of Arts degree in 1978, he quarterbacked the Huskies football team to three consecutive Atlantic Universities Athletic Association conference championships from 1975 to 1977. He also played one season with the Verdun Maple Leafs of the Quebec Major Junior Hockey League and was the leading scorer for the Dawson College Blues of Montreal for two consecutive seasons before attending Saint Mary's University.

Kevin and his wife Bridget reside in Sherwood Park with their daughter Britt and son Matthew.

RICKY OLCZYK

Ricky Olczyk is in his third season with the Oilers and second as the team's Assistant General Manager & Director of Hockey Operations/Legal Affairs. The 39-year-old native of Chicago, Illinois was promoted to the new position on August 8, 2008 after serving as the Oilers' Director of Hockey Administration and Legal Affairs during the 2007-08 season.

As a member of the Oilers Hockey Management Team, Olczyk works closely with Kevin Lowe, Steve Tambellini and Kevin Prendergast on various hockey operations duties, including player contracts, negotiations and NHL Collective Bargaining Agreement issues. He also works in conjunction with the NHL on the team's regular season schedule.

The younger brother of former NHL forward Ed Olczyk, he joined the Oilers on June 22, 2007 from the private sector, where he ran his own legal consulting firm in Chicago for six seasons.

Born and raised in Chicago, Olczyk played four seasons of NCAA Division I hockey at Brown University between 1988-89 and 1991-92 and served as the Bears' captain during his senior season. He was named to the Academic All-Ivy Team in 1991-92. Olczyk was also the captain of the United States Under-17 National Team that won the silver medal at the 1986 World Cup in Chicago.

A 1996 graduate of Cornell Law School, Olczyk was admitted to the Arizona Bar in 1996 and worked two years with a law firm in Phoenix. He also spent two seasons with the NHLPA before opening his own legal consulting firm in Chicago.

PAT QUINN

May 26, 2009 marked a new era for the Edmonton Oilers when Pat Quinn was named Head Coach.

On a team that is primarily built on youth with a solid mix of veterans, the Oilers are looking forward to Quinn's experience of 1,300-plus games. He last coached in the National Hockey League with the Toronto Maple Leafs from the 1998-99 season through to the 2005-06 season. In that span Quinn had a 300-196-52-26 record, good enough to lead the Leafs to the playoffs in six of his seven seasons including two conference final appearances. He also served as the team's General Manager from 1999-2000 to 2002-03. Quinn joined Punch Imlach and Conn Smythe as being the only three people in the history of the Leafs to hold the dual role of Head Coach and GM.

Prior to joining the Toronto Maple Leafs organization in June, 1998, Quinn spent the previous eleven seasons at the helm of the Vancouver Canucks. When Quinn joined the Canucks as President and General Manager in 1987, he inherited a club that had endured eleven consecutive losing seasons. Quinn added the head coaching duties to his title on January 31, 1991 and led the team to single-season records for wins (46), and points (101) in 1992-93. Quinn led the Canucks to the Stanley Cup finals in 1994.

Quinn also coached in Philadelphia from 1978 to 1982 and in Los Angeles from 1984 to 1987. In 1979-80, his Flyers were the league's top team (48-12-20) and posted an NHL record 35 game undefeated streak which still stands today. After leaving Philadelphia, he earned his law degree from Widener University, Delaware School of Law.

Quinn's career NHL coaching record (regular season through 2005-06) is 657-481-154-26, with a winning percentage of .569. He is currently 5th in all-time regular season coaching wins in the NHL.

As Head Coach, Quinn's teams have advanced to the Stanley Cup Finals twice: in 1980 (Philadelphia Flyers) and in 1994 (Vancouver Canucks).

Quinn has been awarded the Jack Adams Award as the NHL's Coach-of-the-Year twice; in 1991-92 with Vancouver and 1979-80 with the Philadelphia Flyers. Quinn was named runner-up for the award in 1998-99. In addition to NHL Coach of the Year honours in 1979-80 with the Flyers, Quinn was named 'The Hockey News' Coach of the Year in 1992 and 1980, and 'The Hockey News' Executive of the Year in 1992. Quinn was also named 'The Sporting News' Coach of the Year in 1992 and 1980. Quinn is one

of only four coaches (Scotty Bowman, Pat Burns, Jacques Lemaire) in league history to win the Jack Adams award with two different teams.

Quinn has been selected as head coach for the NHL All-Star game on four occasions (2004, 2002, 2000, 1981).

Internationally, Quinn has had tremendous success. He led Team Canada to their first gold medal since 1952 when they defeated Team USA 5-2 at the 2002 Olympic Winter Games in Salt Lake City, Utah. Two years later, in 2004, Quinn coached Team Canada to victory in the 2004 World Cup with a perfect 6-0 record, capped off by a 3–2 victory over Finland in the final. Looking to defend their 2002 Olympic gold medal, Hockey Canada chose Quinn once again to coach Team Canada at the 2006 Winter Olympics in Turin. Despite high expectations, Canada went 3-2 through the preliminary round, losing to Switzerland and Finland, both by 2-0 shutouts, then lost to Russia, again by a 2-0 score, in the quarter-finals.

In 2006, he coached Team Canada in the Spengler Cup, where they made it to the finals against HC Davos but fell 3-2. Two years later, Quinn turned to junior hockey, serving as Head Coach for Team Canada in the 2008 IIHF World U18 Championship. He led Canada to the finals against Russia, taking the title by an 8–0 score. With established success at the junior international level, Quinn was chosen to coach the Canadian under-20 team for the 2009 World Junior Championships as the host country in Ottawa. He led Canada to an undefeated record in tournament play and a fifth consecutive gold medal, defeating Sweden 5–1 in the final.

In 606 career NHL games as a player from 1968-69 to 1976-77, Quinn scored 18 goals and collected 113 assists for 131 points with 950 minutes in penalties. He played with the Toronto Maple Leafs (1968-70), the Vancouver Canucks (1970-71) and the Atlanta Flames (1971-76).

Pat and his wife Sandra have two daughters Valerie and Kalli. He also has a law degree from Widener University, Delaware School of Law.

The tournament began over a decade ago as an evaluation tool for the coaching staff, and has evolved into a charitable fundraising event for various programs throughout Oil Country.

Prior to the 2003 NHL All-Star Game in Florida, Joey was presented the NHL Alumni Association's "Seventh Man Award" by Gretzky. The award is presented by the NHL Alumni Association to NHL members "whose behind-the-scene efforts make a difference in the lives of others."

On May 17, 2007, Joey accepted the Mayor's Award from City of Edmonton mayor, Stephen Mandel, in recognition of the Oilers commitment to persons with disabilities.

Outside the dressing room, Joey has lent his name and support to "Joey's Home", an assisted-living home for individuals with developmental disabilities overseen by the Winnifred Stewart Association.

Joey's talents are not confined to just the hockey rink, as he has served with the Edmonton Eskimos training staff during the summers since the 1986 Canadian Football League season.

CONNECTED TO OIL COUNTRY

EDMONTON OILERS COMMUNITY FOUNDATION

The Edmonton Oilers Community Foundation (EOCF) hosts a number of projects throughout the year in an effort to give back in excess of $1 million annually to registered charities in northern Alberta. These projects include:

50/50 PROGRAM

The Edmonton Oilers Community Foundation proudly supports registered charitable organizations of Northern Alberta through 50/50 draws that take place during 21 Edmonton Oilers home games. One lucky Edmonton Oilers fan receives 50% of the game's 50/50 ticket sales and the remainder is shared by the participating charity and the EOCF. The Edmonton Oilers Hockey Club is also committed to providing support to Minor Hockey Associations through its 50/50 program at 22 Edmonton Oilers home games. Last year, the Edmonton Oilers 50/50 program generated over $665,000 for charitable groups and over $640,000 for minor hockey groups in northern Alberta.

SEATS FOR KIDS

Can't use your tickets for an Oilers game? Donate them to the Edmonton Oilers Community Foundation's Seats for Kids Program. Oilers Season Seat holders, mini-pack holders and casual ticket buyers can donate their unused game tickets to the Edmonton Oilers Community Foundation's Seats for Kids program. The Foundation in turn, works with registered children's charities in Northern Alberta to redistribute the tickets and provide children facing extraordinary challenges the chance to experience Oilers hockey live at Rexall Place.

The Edmonton Oilers Community Foundation will issue a charitable tax receipt for the face value of the tickets donated. If you would like to support the program but don't have tickets, you can earmark a financial donation to the EOCF to purchase tickets for this program. Please allow three business days prior to the game date for redistribution of game tickets.

RALLY AGAINST CANCER (NEW!)

For one Oilers home game on October 29th, the Edmonton Oilers Community Foundation and the Oilers Ladies will be selling limited edition, autographed Oilers rally scarves for $20 on the concourse at Rexall Place. Wear your Oilers colours and join the fight against cancer!

ORNAMENTS OF HOPE (NEW!)

Watch for Ornaments of Hope on December 19th, where the EOCF and the Oilers Ladies will be selling collectible, limited edition, autographed Oilers Christmas Ornaments. Ornaments will be available for $20 each, with proceeds to the Christmas Bureau of Edmonton and the Edmonton Oilers Community Foundation.

SHIRTS OFF OUR BACKS

What has been an Oilers tradition and fan favorite for over 20 years is back in March! The Edmonton Oilers Community Foundation and the Oiler Ladies will host Shirts off our Backs in support of local charities and the EOCF. In exchange for a donation, fans will receive a raffle ticket. During the course of the Oilers game, a selection of lucky numbers will be randomly drawn and announced, with the holders of the matching raffle tickets instantly winning an autographed Oilers jersey.

WINNER'S CHOICE LOTTERY

Back by popular demand, Winner's Choice Lottery is the most exciting and innovative concept in home lotteries. Winners have the option of choosing the prize or cash on all major prizes. Winner's Choice Lottery is in support of the Edmonton Oilers Community Foundation's legacy project – the redevelopment of Inner City High School in downtown Edmonton.

COMMUNITY CORNER

Every home game, the Edmonton Oilers Community Foundation hosts a silent auction providing Oilers fans with an exciting opportunity to take home sports memorabilia and collectibles. Autographed jerseys are featured along with limited edition autographed prints and a variety of other must-have items for fans, collectors and sports enthusiasts. Fans can view items and place their bids until the end of the second intermission at the following three Community Corner locations: South Journal Club, Main Concourse near Section 122 and Main Concourse near Section 101. Funds raised through this initiative continue to support various Foundation programs.

ON-LINE AUCTIONS

In addition to Community Corner, the Edmonton Oilers Community Foundation continues to host several on-line auctions throughout the season. These events feature many one-of-a-kind souvenir and collectible items not available anywhere else.

I.C.E. SCHOOL

The Edmonton Oilers I.C.E. School program is a site-based educational initiative that gives teachers and students in grades 2-6 the opportunity to move their classrooms into the fascinating world of Rexall Place and Northlands for an entire week. Curriculum for the week is planned and implemented by participating teachers, with the help of an ICE School coordinator, seconded from Edmonton Public Schools. Acceptance into this program is based on proposals from teachers demonstrating how they will integrate the resources of Rexall Place and Northlands into their teaching plan. For many students this is a once in a lifetime experience!

SHARE A BOOK

This program gives children from low-income families the opportunity to experience the magic and joy of reading at home. Last year the Edmonton Oilers Community Foundation donated over 2,000 books and book bags to Grade One students in 57 schools – for many, these were the first books the students had ever owned.

INNER CITY HIGH SCHOOL

The EOCF has identified a project to leave a lasting legacy in the city of Edmonton – the redevelopment of Inner City High School. As a cornerstone of the City of Edmonton's downtown east development plan, the Foundation is planning for the construction of a new high school and residence to meet the needs of future generations of young people in our community.

SCHOLARSHIP PROGRAMS

The Edmonton Oilers Community Foundation is proud to offer a variety of scholarships through the University of Alberta, NAIT, NorQuest College and Grant MacEwan Community College.

With the help of the Oilers players, coaches, Ladies, staff and of course our dedicated fans, we are changing lives in Oil Country.

COMMUNITY & FAN DEVELOPMENT

Each and every season the Edmonton Oilers make a commitment to being a strong community partner. Through this commitment, the organization, players and staff, participate in a number of different events, charitable fundraisers and community programs and initiatives. MOLSON I AM. CANADIAN

MOLSON CUP

One constant during the Oilers tenure in the NHL has been the Molson Cup. The Molson Cup has played an important role in the history of the Edmonton Oilers over the years since the team joined the NHL in 1979-80. It has been a part of some of the most outstanding achievements in NHL history, including five Stanley Cup championships and the Heritage Classic.

One of the most successful programs ever launched in connection with the National Hockey League, the Molson Cup has become synonymous with excellence, as it is awarded to the player who accumulates the most votes in the three-star voting process over the course of the NHL regular season schedule.

Six times throughout the NHL season, a member of the Edmonton Oilers is selected as the Molson Cup Player of the Month. The Molson Cup is based on the selection of the top three performers of each game as nominated by the Edmonton sports media. Players earn five points each time they are selected one of the game's three stars and the player accumulating the most points at the conclusion of the regular season has his name engraved on the beautiful Molson Cup.

NOTE:

- Rank in penalty minutes is based on most to fewest PIM. For example, in 1979-80 the Oilers were the 3rd most penalized team in the NHL.
- Rank in shorthanded goals (SHG) is based on most SHG for and on fewest SHG against. For example, in 1979-80 the Oilers had the second most shorthanded goals for and the fourth fewest shorthanded goals against.

On the west side, you will find the general media area for all newspaper reporters and electronic journalists not involved in play-by-play. Most seats are specifically allocated with appropriate signage, but if there is any confusion, please direct any queries to Rob Thomas at position one. The east side of the press box is divided into ten separate booths, in which you will find on-air radio and television broadcasts, home and visiting team officials and a video tape crew. The north side and south ends, which do not have working benches, are designed for overflow media as well as reporters who do not cover the NHL full-time.

To gain access to the press box, there are four entrance stairways, any one of which will lead you to the area in which your seat is located, however, it should be pointed out that unless you have an Edmonton Oilers press pass, you will not be able to enter the main working areas. Single game passes may be obtained by contacting either Allan Watt, Rob Thomas or J.J. Hebert at the Edmonton Oilers office at least one day prior to the game.

All media should enter Rexall Place through the Oilers Game Day Pass Gate, located on the north side of the building.

Photographers

Photography passes are issued only by the Edmonton Oilers Public Relations department, and those accredited as photo journalists are asked to report to the media lounge at least three quarters of an hour before the game for individual seat allocation. The official photographer of the Edmonton Oilers will have the final say in terms of seat allocation.

Communications

Telephones are provided in the press box and media work room. All calls must be billed to your credit card or charges must be reversed. Wireless internet access is available in both the press box and media work room.

Media Services

The media lounge, offering bar service and hot meals, will be open an hour and a half before each game. It will be closed during and after the game. Game notes, programs and lineups will be available in the lounge. Hot coffee, soft drinks and ice water are offered in the press box during the game.

A press box announcing service is in effect throughout the game.

Closed circuit television monitors are located for your convenience on the west side of the press box.

Game statistics will be distributed after each period in the press box, while final game sheets will be distributed in the Edmonton Oilers dressing room and the ice level media work room 15 minutes after the game.

Edmonton Oilers Media Guidelines 2009-10

With the growing number of media and the expanding need to include video, audio and still photos on the Internet, the Edmonton Oilers have revised their media guidelines to align themselves with the NHL's internet guidelines, as well as those from other clubs – specifically Canadian franchises.

General guidelines:

- Cell phones, or personal digital assistants (PDAs) with cell phone capabilities, cannot be used for any purpose* in the Oilers dressing and workout rooms at any time. *Exception is for e-mails specific to BlackBerry-like units.
- Photographers will only be granted access to the dressing room post-game or post-practice for specific still image opportunities upon advance specific request from the sports editor (e.g. milestones, new goaltender mask (with player's permission), or player's first goal etc.).
- Stock and general still and video images are not permitted to be shot in the dressing and workout rooms, e.g., photographers/cameramen will not be allowed to stand at the entrance and pan the room, take stock and general images of players/room, or of players undressing out of their equipment.
- Reporters and photographers using a still camera or mini-cam for video purposes must inform the player or coach and inform the Oilers communications staff beforehand.
- All video must adhere to the NHL's broadcast policies. Material may only be used for editorial purposes.
- The Oilers do not allow photographers in their dressing room while on the road.

Guidelines for use of Oilers video- and audio-related content* on Internet platforms:

- No game action (video or audio) may be captured by any means or method.
- Video and audio content recorded at pre- or post-game news conferences, or media availabilities involving the team's coach, players and club executives may not be streamed live without prior written permission from the Oilers.
- Reasonable amounts of audio or video content gathered pursuant to the credential may be posted on the Internet. Content, up to 120 seconds per day, can be posted and archived for up to 72 hours.
- The website page that features audio/video must provide links to NHL.com and the Oilers website using the following wording: "Find out more on www.NHL.com and www.edmontonoilers.com". As well, edmontonoilers.com is permitted to link to such posted material.
- All video and audio content is restricted to use on media websites and may not be "pushed" to other platforms (including but not limited to cell phones).
- Video and audio content cannot be marketed or sold on a subscription basis.
- Video and audio content may be used only in editorial.
- Video and audio content must adhere to the NHL's broadcast policies.
- There is to be no sponsorship or advertising around the content. Footage may appear with banners and contextual ads, but the ads may not be specifically related to Oilers content.
- There are no limitations on "talking head" video or audio of reporters at Oilers facilities that do not include team/interview/press conference content.

* Oilers video- and audio-related content is defined as, but not limited to interviews, news conferences, practices and community-related events. Games fall under the NHL's broadcast policies.

* Content does not extend to the use of editorial text on the Internet or text alerts sent to PDAs or cell phones.

The Edmonton Oilers reserve the right to enforce and amend these guidelines at any time and to restrict and/or deny access, as necessary to ensure fair application and that all interests are preserved.

NHL How To Figure

**** NOTE: No individual skater/goaltender statistics apply for the shootout**

Assist An assist is awarded to the player or players (maximum of two) who touched the puck prior to the goal, provided no defender plays or possesses the puck in between.

Game Played A player receives credit for playing in a game if: i) he steps on the ice during time played or; ii) serves any penalty.

Game-Winning Goal After the final score has been determined, the goal which leaves the winning Club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal).

Goal A goal is awarded to the last player on the scoring Club to touch the puck prior to the puck entering the net.

Goals-Against Average Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).

Goaltender A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

Penalty-Killing Pct. Subtract total number of power-play goals allowed from total number of shorthanded situations to get total number of power-plays killed. Divide the total number of power-plays killed by the total number of shorthanded situations.

Plus-Minus A player receives a "plus" if he is on the ice when his Club scores an even-strength or shorthand goal. He receives a "minus" if he is on the ice for an even-strength or shorthand goal scored by the opposing Club. The difference in these numbers is considered the player's plus-minus statistic.

Power-Play Goal A goal scored by a Club while it has a manpower advantage due to an opponent's penalty. Following are some examples of what is and is not considered a power-play goal:

- if a Club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02, the goal is *not* a power-play goal.
- if a Club scores on a delayed penalty, the goal is *not* a power-play goal.
- if a Club has an advantage due to a five-minute major or match penalty, that Club is always credited with having one more advantage than the number of power-play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power-play goal. For example, if Team A scores three goals during a major penalty, it is credited with four advantages.
- if a Club is on a power-play for any length of time, it is considered to have had an advantage.
- if a minor penalty is incurred by a Club on a power-play due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in effect.

Power-Play Percentage Total number of power-play goals divided by total number of power-play opportunities.

Save Percentage Subtract goals allowed (GA) from shots against (SA) to determine saves. Then divide saves by shots-against.

Shooting Percentage Divide the number of goals scored by the number of shots taken.

Shorthand Goal A goal scored by a Club while it is at a manpower disadvantage. The same cases apply for shorthand as for power-play goals, but in the opposite manner.

Shot on Goal If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".

Shutout If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a Club shutout.

Tenths of a Second If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (ex: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48.)

Coaches Record A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

Order of Selection for 2010 Entry Draft

The NHL's annual Draft Drawing is a weighted lottery system to determine the order of selection for the first 14 picks of the 2010 Entry Draft.

The 14 teams that did not qualify for the Stanley Cup Playoffs, or clubs that acquired those clubs' 2010 first-round draft picks, participate in the Drawing.

The Club selected in the drawing may not move up more than four positions in the draft order, thus only the five Clubs with the fewest regular-season points have the opportunity to receive the first overall selection.

No Club can move down more than one position as a result of the Draft Drawing.

In the first round of the 2010 Entry Draft, the order of selection is as follows:

a) The first 14 selections, as determined by the Draft Drawing (see above);

b) Clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, regular-season division winners excluded, in inverse order of points;

c) Regular-season division winning clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, in inverse order of points;

d) Clubs eliminated in the 2010 Conference Finals, in inverse order of points;

e) Stanley Cup finalist

f) Stanley Cup champion

In the second and subsequent rounds the order of selection is as follows:

a) Non-playoff clubs in inverse order of points;

b) Clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, regular-season division winners excluded, in inverse order of points;

c) Regular-season division winning clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, in inverse order of points;

d) Clubs eliminated in the 2010 Conference Finals, in inverse order of points;

e) Stanley Cup finalist

f) Stanley Cup champion

Eligibility for Claim

a) All Players age 18 or older are eligible for claim in the Entry Draft, except:

i. a Player on the Reserve List of a Club, other than as a try-out;

ii. a Player who has been claimed in two prior Entry Drafts;

iii. a Player who previously played in the League and became a Free Agent pursuant to this Agreement;

iv. a Player age 21 or older who: (A) has not been selected in a previous Entry Draft and (B) played hockey for at least one season in North America when he was age 18, 19, or 20 and shall be eligible to enter the League as an Unrestricted Free Agent pursuant to Article 10.1(d); and 18

v. a Player age 22 or older who has not been selected in a previous Entry Draft and shall be eligible to enter the League as an Unrestricted Free Agent pursuant to Article 10.1(d).

Unsigned Draft Choices

a) A player aged 18 or 19 who was selected in the first three rounds of the Entry Draft and who was not signed by his NHL Club may not be retained by the Club and must be returned to his junior Club no later than the day prior to the opening of the NHL regular season.

b) A player aged 18 or 19 who was selected in the fourth or subsequent rounds who has not been signed by his NHL Club may not be retained by his Club and must be returned to his junior Club no later than the fourth day prior to the opening of the NHL regular season.

Entry Level Players

1. Players 18 through 21 years of age when signing their first contract must remain in the entry-level system for a period of three years; players age 22 and 23 when signing their first contract are in the entry level system for two years; while those age 24 when signing their first contract are in the entry level system for

one year. Age is defined as the player's age on September 15 of the calendar year in which he signs the contract, regardless of his actual age on the date he signs such contract.

2. In the event that a signed 18 or 19-year-old player does not play a minimum of 10 NHL games (regular season and/or playoffs) in his first season under contract, the term of his player contract and his number of years in the entry level system will be extended for a period of one year. The exception to this is a 19-year-old player who turns 20 years of age between September 16 and December 31 in his first contract year.
3. In the event that a player signs his first contract at age 18 and has had his Player Contract extended for one season already, and such player does not play at least 10 NHL games (regular season and/or playoffs) in the second season under that player's Player Contract, then the term of his Player Contract and his number of years in the Entry Level System shall be extended for one additional year.

23-Man Roster

There may be a maximum of 23 players on each Club's playing roster at any one time from the commencement of the NHL regular season through the trade deadline. Prior to the start of the season, each Club must submit to the NHL its "Opening Day Playing Roster" which shall be comprised of not more than 23 players. Each Club must have a roster of at least 20 players, composed of 18 skaters and two goaltenders. Players on Injured Reserve do not count in the 23-Man Roster limit.

Injured Reserve List

In the event that a player is injured and a Club wishes to place him on the Injured Reserve List, the Club must follow these procedures.

1. A Club may place a player on the injured reserve list if such player is injured, disabled or ill and unable to perform his duties as a hockey player after having passed the Club's initial physical examination in that season.
2. A player who has an injury that renders him physically unable to play for a minimum of seven days after that date of the injury can be placed on the Club's Injured Reserve List. Once a player is placed on the injured reserve, the Club may replace said player on its NHL roster with another player. All determinations that a player has suffered an injury warranting injured reserve status must be made by the Club's medical staff and in accordance with the Club's medical standards.
3. A player placed on Injured Reserve is ineligible to compete in NHL games for a period of not less than seven days from the date of injury.
4. Players on Injured Reserve may attend Club meetings and meals, travel with the Club and participate in practice sessions.
5. Players on Injured Reserve are prohibited from appearing in games, participating in pre-game warm-ups with their Clubs, or dressing in game uniforms on game days.

Regular Season Waivers

For purposes of Regular Waivers and Re-Entry Waivers, the five (5) year exemption for an 18 year old skater and the four (4) year exemption for a 19 year old skater shall both be reduced to three (3) years commencing the first season that the 18 or 19 year old skater plays in eleven (11) NHL Games or more. The next two (2) seasons, regardless of whether the skater plays any NHL Games in either season, shall count as the second and third years toward satisfying the exemption. b) The higher number of points earned by the Club.

c) The greater number of games won by the Club.

d) The higher number of points earned in games against each other among two (2) or more Clubs having equal standing under priority (b) and (c) **

e) The greater differential between goals scored for and against by Clubs having equal standing under priority (d).
